

Founded in 2019, the Bixby Development Foundation focuses on creating a culture in Bixby that attracts, recruits, and retains jobs for our community and provides resources for start-ups and small business development. The Development Foundation will be a voice in the community to help determine what long-term success looks like for Bixby and will partner with any organization that shares our vision for a brighter economic future.

Our Mission: Champion economic growth in Bixby through long-lasting inclusive relationships with businesses and the community.

Funds raised from the following events and publications support the Bixby Development Foundation, a 501(c)(3) organization, and are therefore tax deductible.

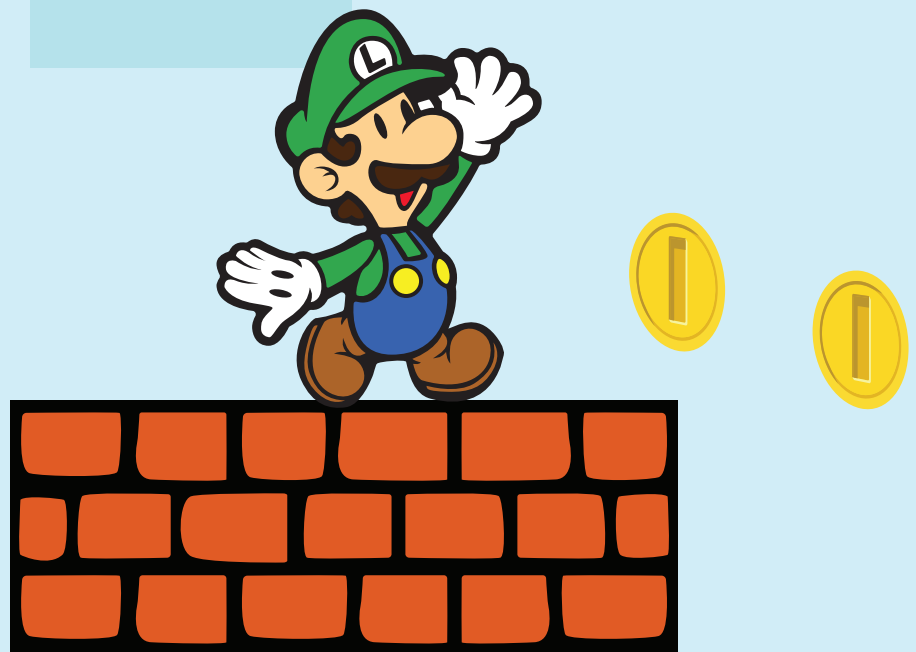

The Bixby Development Benefactors contribute to the foundation's mission to champion growth in Bixby through long lasting, inclusive relationships with businesses and the community. Our Benefactor Sponsors contribute to this goal, in addition to receiving promotion and event recognition.

Join the Bixby Development Foundation at our annual FootGolf Tournament! Our tournament will consist of nine teams of four, playing nine holes. FootGolf is easy to learn, and a lot of fun - no matter your athletic ability. Each player will receive a soccer ball and lunch!

What is FootGolf? FootGolf is a precision sport, a combination of soccer and golf, being more closely related to golf. The rules largely correspond to the rules of golf. A player kicks a regulation #5 soccer ball on the fairway of a golf course into a 52-centimeter cup in as few shots as possible.

Leadership Bixby is a 7-session program, sponsored and coordinated by the Bixby Metro Chamber of Commerce, to identify, educate and develop a select group of Bixby citizens for positions of community leadership. Each year students from a diverse group of businesses in the community meet monthly to learn more about Bixby's Community. By the completion of the class, students will understand all the components that it takes to make a successful community including state & city government, social services, education, and how economic development happens. More than 250 participants have graduated from the program since 2002. The series concludes with a graduation ceremony at the May Business@Lunch. Participants are nominated and approved by a committee.
