Day AT THE Capitol

The Bixby Metro Chamber's Day at the Capitol event is an annual gathering where chamber members and community leaders come together to advocate for local businesses and economic growth. This event provides an opportunity for attendees to engage with state legislators, discuss key issues, and promote the interests of the Bixby business community.

As the leading business organization and voice for business, the Bixby Metro Chamber works closely with City, State, and Federal officials in support of pro-business legislation.

Each year, the Bixby Metro Chamber of Commerce creates a Legislative Agenda derived from our government affairs committee. Chamber members who serve on this committee take an active role in crafting this agenda.
