## OUR MISSION

The Bixby Metro Chamber of Commerce serves the needs of all of its Members – from solo entrepreneurs to large corporations – to ensure the strength and vitality of the community.

## ADVOCACY

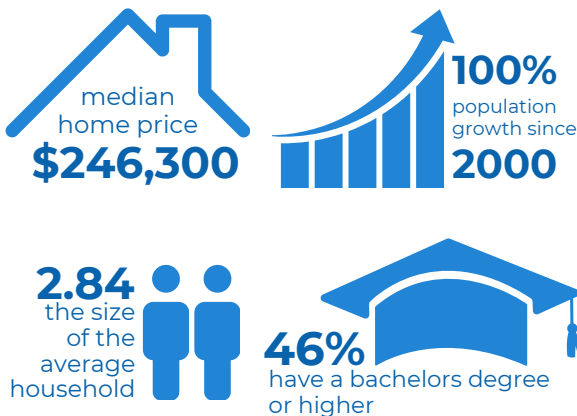

BMC strives to support Members through advocating at the federal, state, and local government levels. We also work to support Members through events inviting government officials to speak to Members to find out what issues are important to them, and strives to keep members up to date on legislative issues that can effect their businesses.

## CONNECTION

We want to assist our Members with better connections that lead to long lasting business relationships. BMC strives to provide a wide variety of events to give Members the opportunity to be active networkers. Our commitment to help our Members make connections goes much deeper than simple get together and elevator speeches.
